# Centralized Patient Outreach Program

Our **Health Coordinators** are an extension of your office. We encourage and assist patients to complete their health and quality screenings, utilizing NextGen technology, central resources, and **consistent processes**.

CPOP Direct Phone 714-377-6850

## Quality Measures:

- Colon Cancer Screening – Colonoscopy, FOBT, etc.
- Breast Cancer Screening – Mammogram.
- Diabetic Eye Exam.
- Osteoporosis in Senior Females with Fractures.
- Cervical Cancer Screening – Pap Test reminders.
- Medication Adherence.
- Boeing ACO measures.

## Program Highlights:

- Communicate to patients via NextMD or direct phone calls.
- Documentation of content directly into NextGen patient chart.
- Direct coordination with GNP.
