<sup>1 &</sup>quot;Capacity to make medical decisions" means that, in the opinion of an individual's attending physician, consulting physician, psychiatrist, or psychologist, pursuant to Section 4609 of the Probate Code, the individual has the ability to understand the nature and consequences of a health care decision, the ability to understand the significant benefits, risks, and alternatives, and the ability to make and communicate an inflormed decision to health care providers.

PATIENT'S MENTAL STATUS		
Check one of the following (required):		
☐ I have determined that the individual has the capacity to make medical decisions and is not suffering from impaired judgment due to a mental disorder.		
☐ I have referred the patient to the mental health specialist² listed below for one or more consultation to determine that the individual has the capacity to make medical decisions and is not suffering from impaired judgment due to a mental disorder.		
☐ If a referral was made to a mental health specialist, the mental health specialist has determined that the patient is not suffering from impaired judgment due to a mental disorder.
